MEMBERS' INTERESTS 1998 – 2016

INTRODUCTION

This list of Members' Interests has been made up, as far as possible, from names submitted during the 1998-2016 years by members, both new and existing, on their renewal or application forms. The aim is to include all interests submitted during the "Membership" years (i.e. April 1998 to March 2016) for those holding membership in the year 2015-16, however, some late applications may not have arrived in time for this issue. For names submitted in previous years see earlier Members' Interests lists. Note that interests are only published when the submitter has given permission for their name and address to be published.

Members are allowed six names each year to be entered in the list, as indicated on the renewal forms. As interests will be accumulated it is important for members to advise changes to listed interests or deletions of previous interest if no longer required.

Members submitting names for inclusion in future lists are asked to pay attention to the following:

1. Ensure that you use your correct membership number because a wrong number can result in no contacts.
2. Use the Chapman Codes for County, State and Country.
3. Write legibly - preferably print the details.
4. Limit your list to six names.
5. Give details of place and/or period.

If you find a name that you are researching, note the membership number then contact the society secretary, or a branch secretary, to get contact information. You can also get the information by visiting one of the five branches.
