## Section 6: Research Interests

The Society may publish each year an index of persons being researched by members, to enable any person to contact another who is researching the same family, to share information and avoid duplication of research and expense. Copies are placed in each branch library.

Each member is invited to submit up to SIX NAMES for inclusion. With permission, new members interests are also printed in the society's journal.

- ♦ **Please print clearly in capital letters.** (Names that can not be read won't be published)
- ♦ Accuracy in spelling of **surnames** and place names is essential. Should a family have more than one way of spelling a surname each should be listed as a separate name.
- ♦ **Please use Chapman Codes (preferred standard) for State, County and Country, or write each word in full.**
- ♦ There are many duplicate place names in the world, please indicate fully, town and country (e.g. Devonport TAS AUS. Devonport DEV ENG)
- ♦ Member's research will be accumulated commencing with 1998, those advised below being added to previously advised names. For amendments or corrections to, or deletions of previous entries, please advise on a separate sheet.
- ♦ Maximum of **SIX** new entries **PER** member allowable each year.
- ♦ A copy of your own previous listings can be supplied upon written request accompanied by a stamp self-addressed envelope or by email, please do not re-submit interests previously provided.
